

Hello!

One of the things that lots of people in the church family have mentioned is that they would like to know what is going on in the children and young people's work so that they know how to support and pray for it. Hence this is the first of the monthly newsletters. Each one may look slightly different.

There have been a few slight changes in the groups so this newsletter is mainly to inform you of the changes. Please pray as we start the new Sunday morning groups.
