

Children and Young People Newsletter

November 2018

Hello!

We are so excited to have a new little one, **Samuel**! Please continue to pray for Jonathan and Alexandra as they settle down into family life as a three.

Explore Together (Yr 7-9) is up and running and being enjoyed by all, thank you to all four leaders who are helping with this. Please pray for them all as they carry on in this role.

Discover Together (Yr 10-13) have met a few times. They are a fab bunch with busy lives so how we, as a church, support them looks different for each person. Please pray for them as they continue to discover God both together and individually.

Messy Christmas is coming up. Help with providing crafts beforehand would be really appreciated! The event needs to be blanketed in pray so please pray for it... on your own, in your family or in your home groups.

A Jesus moment! 5 year old Libby Leeves was on a birthday shopping trip with her godfather. They went to Build-a-Bear and she left with a brand new bear called Amy Gem Sparkles, complete with beautiful shoes too! They did some more shopping, went to the park, had lunch and were just about to go home when they realised that Amy had lost one of her shoes! Her godfather sighed in despair wondering how on earth they would find the shoe in the middle of Bromley. They both prayed together as they were walking around. When they got to the park a little girl was sitting waiting for Libby, she had been looking after Amy's shoe the whole time, waiting for Libby to come back! Thank you Jesus!

I want to feature a Jesus moment in each newsletter so please let me know of any Jesus moments involving our children and young people!
